Notes

- Schools have discretion as to whether or not to schedule a reading weekwhich may be in week 6 of Semester 1 only. This ensures that students on joint degrees and electives taken outside their School only have one reading week. Schools must inform students of modules that do, and do not, have a reading week and provide a clear rationale for the purpose of the reading week, ensuring that an element of directed learning is provided.
- Submission deadlines:
  - must be staggered throughout the teaching and assessment period (including A3), to ensure deadlines are staggered.
  - Finalist deadlines in A2 should be staggered towards the start of the assessment period to allow time for marking and moder0 -14 Tc 0.006 Tw 1-6.6 ((l)-3.37.174 020.5 (
